SECURITY DEPOSIT

Brainerd Public Utilities will require a deposit at the time of application for service. <u>The required deposit</u> <u>will equal a two (2) month average billing.</u> The <u>minimum</u> deposit is \$50. All deposits earn an interest rate that is set by MN Statute 325E.02(b). <u>Deposits are applied to the account after 12 consecu-</u> <u>tive months of on-time payments.</u> If a customer owes BPU a bad debt from a previous address, both the bad debt and the deposit have to be paid before a utility account will be established. When the account is closed, any remaining credit will be returned to the <u>primary name</u> on the account in the form of a refund check.

To waive the deposit, a utility credit reference needs to be filled out and returned to our office <u>within 10 days.</u> If the credit reference is not returned, or is not favorable, a security deposit of ______ will be billed to your account.
