Dear Mr. Magnuson

Thank you for consulting with the Lower Sioux Indian Community Tribal Historic Preservation Office regarding your proposed undertaking.

We have reviewed the proposed project regarding the impact to National Register eligible cultural resources. Therefore, we concur with the determination of No Historic Properties Affected. However, if the undertaking results in the discovery of eligible archaeological materials or human remains/funerary resources during construction, we request that steps be immediately taken to protect such resources and that we be notified.

Your time and consideration of our irreplaceable cultural resources is greatly appreciated.

If you have any questions, contact me at (507) 697-8672, or by email at lowersiouxthpo@lowersioux.com.

Sincerely

Cheyenne St. John, THPO
