BPU will work with you if you fall behind or are unable to make a utility payment in full.

We will help you set up a payment arrangement which allows a maximum of three (3) installment payments over a ninety (90) day period to pay past due amounts once you receive a disconnect notice.

In addition, a customer needs to keep current bills paid during this arrangement period. Failure to keep a payment arrangement can result in immediate disconnection.

SECURITY LIGHTING

BPU offers a security lighting program.

Security lighting illuminates possible safety hazards to make your property safe at night, and protects your home or business by discouraging vandalism, theft, and burglary.

Security Lighting is available to residential and commercial customers. BPU maintains the security light.

This service is offered for a monthly fee of \$12.00 plus tax per security light. Call us to sign up for this program at 218-829-2193.
