SECURITY DEPOSIT

Brainerd Public Utilities requires a security deposit for service. The required deposit will amount to the highest monthly bill charged in the previous 12 months. The **minimum** deposit is **\$100**. All deposits earn an interest rate that is set by MN Statute 325E.02(b). **Deposits are applied to the account after 12 consecutive months of on-time payments.** If a customer owes BPU a bad debt from a previous address, both the bad debt and the deposit have to be paid before a utility account will be established. When the account is closed, any remaining credit will be returned in the form of a refund check.

To waive the security deposit, a utility credit reference needs to be filled out and returned to our office within 10 days.
