### Trouble Paying Your Bill?

BPU will work with you if you fall behind or are unable to make a utility payment in full.

We will help you set up a payment arrangement which allows a maximum of three (3) installment payments over a ninety (90) day period to pay past due amounts once you receive a disconnect notice.

In addition, a customer needs to keep current bills paid during this arrangement period. Failure to keep a payment arrangement can result in immediate disconnection.

*ALL Electrical Work* performed in the City of Brainerd requires a "Request for Electrical Inspection" form to be filed with the State of Minnesota.
