Current Unfilled Employment Positions at BPU

Finance Manager Loch reported two Journeyman Lineman positions have conditional job offers.

Development of Plan to be Carbon Free by 2040

Commissioner Johnson noted that he has heard increased discussion in the media regarding this and inquired who would be a good lobbyist for this topic. Interim Public Utilities Director Wussow and Operations Manager Hawkinson discussed MMUA being the leader on this. Additional discussion included ongoing changes in legislation and political environments where questions remain unanswered until final decisions are made at the state level. Presently to meet the carbon goals BPU is purchasing the renewable energy credits to meet the requirements.

Approval of EV Charging Grant Recommendation

Interim Public Utilities Director Wussow discussed that the location was approved by the City Council and if BPU proceeds with the project, applying for the grant would also need to be approved by the City Council. Discussion included additional costs and maintenance requirements.

Motion by Commissioner Johnson and seconded by Commissioner O'Day to deny moving forward with the EV Charging Grant Application. There was a unanimous vote in favor of the motion. Motion carried.

New Business

Approval of KLM Water Tower Maintenance Contract

Water/Wastewater Manager Gammon presented. Discussion included:

- 10-year contract with SEH came to an end in 2024 and staff explored new vendors.
- KLM has an open-ended contract.
- Commissioner Johnson inquired on why not choose to continue with SEH. Gammon reported that a long-term inspection/maintenance contract is not typical anymore and SEH chose not to extend the contract after the current one closed.
- KLM has this specialty and potentially more resources.

BRAINERD PUBLIC UTILITIES COMMISSION MEETING

August 27, 2024

- Commissioner Angland inquired on any exclusions in proposal. Language was discussed and not a concern, per Gammon, for the exclusion of the interior of the inlet pipe is excluded from the evaluation (for the remote operated vehicle).
- Commissioner Angland also pointed out Section 13 regarding delays and wanted staff to be aware of the clause.

Motion by Commissioner O'Day and seconded by Commissioner Erickson to approve the KLM Water Tower Maintenance Agreement. There was a unanimous vote in favor of the motion. Motion carried.

Consider Reclassification of Jason Gage from Laborer to Wastewater Operator

HR Director Schubert presented. Discussion included:

- Jason Gage was hired in June of 2023 as a Laborer at the Wastewater facility. Since being hired, he has completed training and received his Boiler's License, Type IV (Biosolids) license and most recently passed his Class D Wastewater Operator Test and will be receiving his license. The Commission could recommend approval to City Council since it is both operations and personnel.
- City Liaison Czczok inquired if staff intends to back fill Laborer position. Gammon noted, not at this time.

Motion by Commissioner Johnson and seconded by Commissioner O'Day to recommend to City Council to approve the reclassification of Jason Gage to a Wastewater Operator at Step 2 of the Wastewater Operator was grid (\$31.37 per hour). There was a unanimous vote in favor of the motion. Motion carried.
